Old Business:

Fence signs: Motion to purchase 1000 signs was seconded and passed. The name on the bottom needs to read:

NO TRESPASING

NRGSC SHOOTING RANGE

Tracy's estimate for the Road is \$4000 for Tracy and \$6000 for gravel. The trustees voted against the motion during a phone conversation. The motion is tabbed until we find more money. Sweede wants to use his tractor to level the washboard on the road.

New Business:

Sweede bought flags for the range since the old one is looking a bit ragged. He wants to have several flag poles for the different shooting disciplines. That triggered a discussion of range safety and range rules. We will improve the present flag pole and will consider putting up signs. Sweed asked to be reimbursed for \$55.20 for the flags. Motion was seconded and passed.

Web page setup, Sarah volunteers to be the No. 1 person for the webpage. There should be a central point for setting up announcements and contribution for web pages. We had a motion to have a calendar on the web page. Motion was seconded and passed.

Toran wants to run a CCW link from the web page with people who want to teach classes. Motion was seconded and passed.

Toran wants to start an IDPA (international defensive pistol association) match here. Toran made motion for the club to authorize \$300 towards expenses for the match setup. Motion was seconded and passed.

The meeting was adjourned at 20:51.

Next board meeting is: 08/10/2009
